PROFILE INFO

A front-end developer and an undergraduate student taking up a Bachelor of Science in Information Systems, aiming to land on opportunities and projects where I use my skills in web design and development and attain a high-level performance from multinational companies.

WORK EXPERIENCE

2019 - 2020 | WEB DESIGNER & DEVELOPER | INTRUTECH ENTERPRISES

- Designed and established a user-friendly website for the company
- Spearheaded the diagnosis and troubleshooting of the company website

CO-CURRICULAR

2019 - 2020 | TEAM HEAD FOR DOCUMENTATIONS | AIM, DE LA SALLE COLLEGE OF SAINT BENILDE

- Managed the organization's operations and logistics (i.e., processing, filing, and storage of technical documents, venue reservation, supplier coordination, and distribution of supplies)

EDUCATION

2018 - PRESENT | BACHELOR OF SCIENCE IN INFORMATION SYSTEMS | DE LA SALLE COLLEGE OF SAINT BENILDE

- School of Management and Information Technology (SMIT)
- Consistent Dean's Lister from 2020 - 2021
